

Everything You Need to Know About MD/Oral Maxillofacial Surgery Admissions

College of Human Medicine
MICHIGAN STATE UNIVERSITY

Mission Focused Medical School: Mission Focused Admissions

Michigan State University College of Human Medicine is committed to educating exemplary physicians and scholars, discovering and disseminating new knowledge, and providing service at home and abroad. We enhance our communities by providing outstanding primary and specialty care, promoting the dignity and inclusion of all people, and responding to the needs of the medically underserved.

Our committee places a strong emphasis on this mission.

The most successful applicants to CHM are able to link their life experiences and career goals to our mission.
